Congratulations on your engagement
and best wishes from all of us at St. Matthew Parish!

As pastor, it is my duty to see that all aspects of your rehearsal and wedding ceremony run as efficiently as possible. To help, we have prepared some guidelines and policies designed to ensure, not only the proper celebration of your wedding ceremony, but also the effective functioning and responsible maintenance of our church. As you familiarize yourselves with these guidelines, you will note the names of the staff who are part of my team and have been entrusted by me to take care of many of the aspects and details of weddings held here. If you should have any additional questions that they are unable to answer, please feel free to contact me at the parish office, 217-359-4224. Know that our prayers are with you as you prepare for your wedding day and begin your journey together. May God always be the most important component of your married life.

In the peace of Christ,

Reverend Monsignor Stanley Deptula

Sacramental Documents

As part of preparation, the Church requires that couples participate in pre-marriage classes as well as provide the necessary sacramental documents. Some of these sacramental documents and certificates may take some time to obtain and complete so it is a good idea to start early. The priest preparing you for marriage will have more information regarding these documents. Information for the Diocese of Peoria can be found [here](https://cdop.org/evangelization-and-faith-formation-old/family-life/). (<https://cdop.org/evangelization-and-faith-formation-old/family-life/>)

Bridal Party

- The number of attendants is limited to nine on each side plus any ring bearers or flower girls. Throwing of silk or real flowers is not allowed.
- All wedding participants as well as vendors are asked to show respectful behavior while on church grounds and in the sacred space of the church. No food or drink (except water) is allowed in church and no alcohol of any kind is permitted on church grounds.
- Because this celebration takes place in the Presence of Our Lord, Christian modesty is expected of all participants.

Liturgy

- ***Lectors:*** If you would like to involve friends or family to read, please keep in mind that they must be practicing Catholics. You may have one to three readers to cover the scripture readings and possibly the petitions. Visit the parish website, stmatt.net for the official selection of readings.
- ***Gift Bearers:*** (2-4) Friends or family are encouraged to participate in the presentation of the gifts at the Offertory (within context of a Mass). They need to be Christian, not necessarily Catholic, and at least 10 years of age.
- ***Marian Altar:*** There is an optional tradition in the Catholic Church of honoring the Blessed Mother by presenting a flower or small bouquet at the side altar. This would occur after Communion within a Mass, or before the final blessing at a nuptial ceremony.
- ***Other cultural traditions:*** Will be accommodated when possible.
- ***Liturgical Program:*** If you choose to have a wedding program for your guests, the order of the liturgy as well as formatting possibilities are available from the Liturgy Coordinator. Please submit for approval a month before the wedding and bring a copy to the rehearsal for the Ceremony Coordinator.
- ***Unity candles*** are not allowed as they are not part of the actual wedding ritual.
- ***Guests:*** Reception lines and guest books should be at the reception rather than church. Balloons, bubbles, sparklers, throwing of flower petals, rice, confetti, sand, birdseed, or streamers are not allowed. You might consider having your guests ring bells at this juncture of the celebration .

Music

- In general, ALL music must be sacred in nature and liturgically appropriate commissioned or asked for by the Catholic Church. Music from the entertainment industry (i.e. movie soundtracks, musicals, rock, pop, soul, etc. are more appropriately used at the reception. The Music Director must approve all music and can suggest options, both instrumental and vocal.
- It has been the experience of our staff that contemporary instruments (guitars, drums, etc.) cannot successfully lead congregational worship in the large space and generous acoustics of our church. Organ, vocal soloists, and occasional orchestral instruments such as trumpet, flute, and violin have proven to be the most successful combinations. NO pre-recorded music is allowed.
- All music and musicians other than the parish staff must have the approval of the Music Director. Keep in mind, that professionalism rather than familiarity is sometimes a better standard when engaging others. The Music Director can provide you with names of experienced musicians if needed. Any necessary rehearsal time for musicians must be arranged with the Music Director outside of the formal wedding rehearsal. If additional musicians are hired, note that their fees are not included in the parish agreement.
- Times within the Nuptial Rite ceremony or Mass at which music is played or sung include: 20 minutes of instrumental and/or vocal Prelude, Processional and Recessional; psalm and Gospel Acclamation. During a Mass more music is required for the Gloria and Eucharistic Prayer parts, Offertory and Communion.
- Solo singing can occur during the Seating of the Mothers, Offertory, Communion and the devotion to the Blessed Virgin; all sung from the choir loft.

Rehearsal

- The priest and ceremony coordinator will lead the rehearsal.
- Rehearsals will begin at 5:30 Friday evening if the bride and groom have given their marriage license to the priest or ceremony coordinator.
- The bride and groom should arrive 15 minutes early for the rehearsal to review specifics with the priest (You may also give your gift to the priest at the rehearsal).
- Please make sure that all members of the wedding party, parents, readers, etc. are in the church and ready to begin at the scheduled time.
- You may expect the rehearsal to take less than an hour.

Fees and Responsibilities

We make every effort to provide our wedding couples with a worry-free, professional, and dignified religious experience. The Sacraments are freely given gifts of Jesus Christ provided by your priest of which no parishioner will be denied.

All couples pay a church usage fee of \$350. Non-parishioners pay an additional church rental fee of \$500. Parishioner status requires that either the bride or groom or one of their parents be a registered and contributing member of the parish for at least one year prior to the booking.

The church usage fee includes:

- The services of our professional parish staff to assist in the planning, scheduling, organization, set up, and break down of your wedding ceremony.
- A **ceremony coordinator** from the parish who will also lead the rehearsal, assist before the ceremony, and make sure the church is cleaned afterward.
- The musical expertise of our **musicians** including those who plan your wedding and those who provide the music at the ceremony. If additional instrumentalists/soloists are hired, you are responsible for that separate financial agreement.
- Two parish **altar servers** to assist the celebrant during the ceremony.
- The use of vestments, vessels, candles, and seasonal décor, as well as heat and air conditioning.

There is also a refundable deposit of \$500. This deposit will be refunded within two weeks after your wedding ceremony, provided that the wedding guidelines have not been violated and no unusual maintenance or repairs must be performed by our staff as a result of your wedding.

- All fees are due in full 30 days before your wedding date. A \$25 service fee will be applied to any check returned NSF.

Please note: Your personal gift to the priest is NOT included in your fee. For the many hours spent helping you prepare for your sacrament, most couples thank him with a gift of \$250.

Dear Photographer/Videographer:

Greetings from St. Matthew Church! It is always an exciting time for a couple when they are preparing for their wedding day. As part of that planning process, you have a unique responsibility to record this special time for them. In order to assist you in planning your day with the couple and their wedding party, we are happy to provide you with the following guidelines:

- You may arrive no earlier than 1 hour and 30 minutes before the scheduled start of the wedding.
- Photographs are permitted after the wedding liturgy if time permits. It is suggested that you take some pictures before the ceremony, in case the wedding takes more time than planned.
- All photographers/videographers are to be as unobtrusive as possible. They are not to interfere with any aspect of the procession, liturgy or recessional. No one can enter the sanctuary space. They must refrain from going up the altar steps, the side wall ramp, or inside the Communion railing. The wedding coordinator will clarify if there are questions. The balcony may be used.
- Photography equipment for pre- or post-ceremony photographs may be set up as long as it is cleared 30 minutes before the wedding begins and 15 minutes before the designated departure time. During the ceremony camera equipment must not block aisles or exits.
- Flash photography is allowed during the entrance and recessional but not during the ceremony itself. Video lighting is never allowed.
- Additional sound equipment such as remote microphones on wedding participants is not allowed.
- Failure to comply with guidelines will result in disqualification from future photographic work at St. Matthew Church.

Dear Florist:

Greetings from St. Matthew Church! It is always an exciting time for a couple when they are preparing for their wedding day. As part of that planning process, you have a unique responsibility to assist them in adding to the beauty of their wedding. In order to assist you in planning your day with the couple and their wedding party, we are happy to provide you with the following guidelines:

- Deliveries may be made no earlier than 1 hour and 30 minutes before the scheduled start of the wedding.

- All floral arrangements must be taken away by the time the bridal party leaves.
